INDEX to the Hawaii Medical Journal

Volume 56, 1997

Compiled by Marlene M. Ah Heong, Carolyn S.H. Ching and Christine Sato of the Hawaii Medical library

Keyword Index

ACCIDENTS, AVIATION. Tragedy in Guam: one doctor's chronicle [Military medicine], 56(11):307

ACQUIRED IMMUNODEFICIENCY SYNDROME. Ocular manifestations of the acquired immunodeficiency syndrome, 56(10):285

ADENOCARCINOMA. The association of helicobacter pylori with intestinal type gastric adenocarcinoma in a Hawaii population, 56(12):348

ADVANCE DIRECTIVES. Efficacy of advance directives in a general hospital, 56(8):203

AMERICAN MEDICAL ASSOCIATION. President's message, 56(9):224

ANATOMY. The integration of clinical skills and clinical anatomy in medical education [Medical school hotline], 56(4):89

ANISAKIASIS. Diphyllobothriasis after eating raw salmon, 56(7):176

AOKI, MITSUO. Documentary on the work of Dr Mitsuo Aoki: looking for families to share their experiences, 56(5):111

ARM INJURIES. Common sports injuries seen by the primary care physician part I: upper extremity, 56(11):324

ARNOLD, HARRY L., JR. The Harry L. Arnold Jr.-MD Hawaii Medical Journal Case of the Month [Editorial], 56(11):305

ASIA. Seventh annual Asia Pacific military medicine conference: Kuala Lumpur, Malaysia [Military medicine], 56(6):143

ATTITUDE. Humor, humility, and a little bit of hubris: why they may be relevant to an incoming class of 60 medical school freshmen, 56(12):345

AUSTRALIA. Voluntary euthanasia in the Northern Territory-Australia, 56(3):69

BACTEREMIA. Emergency department versus office setting and physician/patient kinship effects in the diagnostic and therapeutic choices of febrile children at risk for occult bacteremia, 56(8):209

BIOLOGICAL SCIENCES. The role of the basic sciences in medical education [Medical school hotline], 56(2):32

— Modifications to the problem-based learning (PBL) curriculum increase opportunities for learning basic sciences [Medical school hotline], 56(3):54

CANNABIS. Federal foolishness and marijuana. 1997 [classical article], 56(4):84

CARDIOLOGY SERVICE, HOSPITAL. Cardiothoracic surgery at Tripler Army Medical Center [Military medicine], 56(3):58

CASE MANAGEMENT. Information technology in the health care industry, 56(6):144

CATARACT. Current status of the treatment of cataract, 56(10):276

CENTER OF EXCELLENCE IN DISASTER MANAGEMENT AND HUMANITARIAN ASSISTANCE. Disaster medicine in Honolulu [Military medicine], 56(2):33

CEREBROVASCULAR DISORDERS. Stroke awareness month [Editorial], 56(5):108

— Honolulu Heart Program, an epidemiology study of coronary heart disease and stroke [Book review], 56(11):309

CHILD. "KITS" for improved immunization of Kauai children, 56(5):121

— Emergency department versus office setting and physician/patient kinship effects in the diagnostic and therapeutic choices of febrile children at risk for occult bacteremia, 56(8):209

CLINICAL CLERKSHIP. From Hilo to Waianae a community-based clerkship [Medical school hotline], 56(8):201

CLINICAL COMPETENCE. The integration of clinical skills and clinical anatomy in medical education [Medical school hotline], 56(4):89

CLINICAL RESEARCH CENTER. The birth of the RCMI Clinical Research Center is a joint venture of the University of Hawaii and Kapiolani Health, 56(4):93

CONGRESSES. Seventh annual Asia Pacific military medicine conference: Kuala Lumpur, Malaysia [Military medicine], 56(6):143

CORONARY DISEASE. The Honolulu Heart Program, an epidemiology study of coronary heart disease and stroke [Book review], 56(11):309

COVER ILLUSTRATIONS. Keiki Maui, 56(1):3

— Hawaiian holua sledder, 56(2):27

— Damien, 56(3):51

— Hawaiian swimmers, 56(4):83

— Hawaiian surfers, 56(5):107

— Hawaiian wrestlers, 56(6):135

— Hawaiian runners, 56(7):167

— Hawaiian canoe paddlers, 56(8):195

— Puako, 56(9):223

— Pueo, 56(10):267

— Ulu, 56(11):303

— Dancer, 56(12):339

CURRICULUM. The role of the basic sciences in medical education [Medical school hotline], 56(2):32

— integration of clinical skills and clinical anatomy in medical education [Medical school hotline], 56(4):89

— Public health in medical education [Medical school hotline], 56(7):174

CYTOMEGALOVIRUS RETINITIS. Ocular manifestations of the acquired immunodeficiency syndrome, 56(10):285

DAMIEN, FATHER, 1840-1889. Damien, 56(3):51

DECISION MAKING. The death of an innocent, 56(3):59

— Emergency department versus office setting and physician/patient kinship effects in the diagnostic and therapeutic choices of febrile children at risk for occult bacteremia, 56(8):209

DECISION-MAKING, COMPUTER-ASSISTED. Information technology in the health care industry, 56(6):144

DELIVERY OF HEALTH CARE. Information technology in the health care industry, 56(6):144

DEMOGRAPHY. Temporal trends in maternal characteristics and pregnancy outcomes: their relevance to the provision of health services. Hawaii, 1979-1994, 56(6):149

— Student profile - class of 2001 at the John A. Burns School of Medicine [Medical school hotline], 56(9):224

DIABETES MELLITUS. Diabetic retinopathy [corrected and republished in Hawaii Med J 1997 Oct;56(10):279-80], 56(9):241

— Diabetic retinopathy [corrected and republished article originally printed in Hawaii Med J 1997 Sep; 56(9): 241-4], 56(10):279

DIABETES MELLITUS, NON-INSULIN DEPENDENT. Non-insulin dependent diabetes mellitus: an epidemic among Hawaiians, 56(1):14

DIABETIC RETINOPATHY. Diabetic retinopathy [corrected and republished in Hawaii Med J 1997 Oct;56(10):279-80], 56(9):241

— Diabetic retinopathy [corrected and republished article originally printed in Hawaii Med J 1997 Sep; 56(9): 241-4], 56(10):279

DIAGNOSTIC IMAGING. Multi-center sestamibi parathyroid imaging study in Hawaii, 56(5):114

DIPHYLLOBOTHRIASIS. Diphyllobothriasis after eating raw salmon, 56(7):176

DISASTER PLANNING. Disaster medicine in Honolulu [Military medicine], 56(2):33

DISEASE TRANSMISSION. Diphyllobothriasis after eating raw salmon, 56(7):176

DRUG AND NARCOTIC CONTROL. Federal foolishness and marijuana. 1997 [classical article], 56(4):84

EDITORIALS. Panel will study the right to doctor-assisted aid-in-dying [Editorial], 56(1):5

— words of Hippocrates!, 56(1):9

— Editorial, 56(2):29

— D.A.D.D. - doctor assisted death with dignity [Editorial], 56(3):52

— Federal foolishness and marijuana. 1997 [classical article], 56(4):84

— Editorial, 56(4):86

— Stroke awareness month [Editorial], 56(5):108

— Congratulations to Dr Reginald Ho [Editorial], 56(6):136

— Patient groups call on Congress to fully fund the Food and Drug Administration [Editorial], 56(7):168

— Robert A. Nordyke MD, 56(7):168

— Editorial, 56(8):197

— last days of a Hawaii labor leader. 1997 [classical article], 56(8):198

— Editorial, 56(9):224

— catalyst model. 1987 [classical article], 56(9):226

— Ophthalmology special issue part II [Editorial], 56(10):268

— Harry L. Arnold Jr.-MD Hawaii Medical Journal Case of the Month [Editorial], 56(11):305

— Commentary, 56(11):311

— Peer review [Editorial], 56(12):341

— Humor, humility, and a little bit of hubris: why they may be relevant to an incoming class of 60 medical school freshmen, 56(12):345

EDUCATION, MEDICAL. The role of the basic sciences in medical education [Medical school hotline], 56(2):32

— Modifications to the problem-based learning (PBL) curriculum increase opportunities for learning basic sciences [Medical school hotline], 56(3):54

— integration of clinical skills and clinical anatomy in medical education [Medical school hotline], 56(4):89

— Implications of genetic research for medical practice and education [Medical school hotline], 56(6):140

— Public health in medical education [Medical school hotline], 56(7):174

— Role of the clinical faculty in pediatric medical education [Medical school hotline], 56(11):306

EDUCATIONAL MEASUREMENT. An update on the USMLE and performance of medical students at the John A. Burns School of Medicine [Medical school hotline], 56(10):269

EMERGENCY SERVICE, HOSPITAL. Application of informed consent principles in the emergency department evaluation of febrile children at risk for occult bacteremia, 56(11):313

ETHICS, MEDICAL. The death of an innocent, 56(3):59

ETHNIC GROUPS. Student profile - class of 2001 at the John A. Burns School of Medicine [Medical school hotline], 56(9):224

EUTHANASIA. Voluntary euthanasia in the Northern Territory-Australia, 56(3):69

EYE DISEASES. Ocular manifestations of the acquired im-

munodeficiency syndrome, 56(10):285
EYE INFECTIONS, PARASITIC. External ophthalmomyiasis, a disease established in Hawaii, 56(1):10
EYE INJURIES. Ocular trauma, 56(10):292
EYEBANKS. Corneal and refractive surgery, 56(9):252
FACULTY, MEDICAL. Role of the clinical faculty in pediatric medical education [Medical school hotline], 56(11):306
FEVER OF UNKNOWN ORIGIN. Emergency department versus office setting and physician/patient kinship effects in the diagnostic and therapeutic choices of febrile children at risk, 56(8):209
FOOD PARASITOLOGY. Diphyllobothriasis after eating raw salmon, 56(7):176
FORENSIC ANTHROPOLOGY. Tragedy in Guam: one doctor's chronicle [Military medicine], 56(11):307
GENETICS, MEDICAL. Implications of genetic research for medical practice and education [Medical school hotline], 56(6):140
GLAUCOMA. Glaucoma, 56(9):235
GOVERNOR'S BLUE RIBBON PANEL ON LIVING AND DYING WITH DIGNITY. D.A.D.D. - doctor assisted death with dignity [Editorial], 56(3):52
GUAM. Tragedy in Guam: one doctor's chronicle [Military medicine], 56(11):307
GULBRANDSEN, CHRISTIAN L. JABSOM dean retires. 1997 [classical article], 56(6):138
HAMMAR, SHERREL L. JABSOM dean retires. 1997 [classical article], 56(6):138
HAND INJURIES. Common sports injuries seen by the primary care physician part I: upper extremity, 56(11):324
HAWAII. Project caring for life—long term care funding alternative, 56(7):181
— History of ophthalmology in Hawaii, 56(9):229
— Advances in ophthalmic plastic, reconstructive and orbital surgery in Hawaii, 56(9):248
— Ophthalmology in Hawaii 1997 and beyond, 56(9):256
— All stings considered first aid and medical treatment of Hawaii's marine injuries [Book review], 56(11):309
HAWAII COALITION FOR HEALTH. The words of Hippocrates!, 56(1):9
HAWAII MEDICAL ASSOCIATION. President's message, 56(1):5
— President's message, 56(2):30
— President's message, 56(3):54
— Council highlights, 56(4):98
— President's message, 56(6):138
— Council highlights, 56(6):155
— Council highlights, 56(7):186
— President's message, 56(8):197
— President's message, 56(9):224
— Council highlights, 56(9):258
— President's message, 56(10):268
— Council highlights, 56(10):295
— Presidents message, 56(11):305
— Presidents message, 56(12):342
HAWAII MEDICAL JOURNAL. Index to the Hawaii Medical Journal, 56(12):362
HAWAII MEDICAL LIBRARY. Report from the Hawaii Medical Library, 56(5):112
HEALTH CARE COSTS. The last days of a Hawaii labor leader. 1997 [classical article], 56(8):198
HEALTH MAINTENANCE ORGANIZATIONS. Commentary, 56(11):311
HEARING DISORDERS. Newborn hearing screening in Hawaii, 56(12):352
HELOCOBACTER PYLORI. The association of helocobacter pylori with intestinal type gastric adenocarcinoma in a Hawaii population, 56(12):348
HISTORY OF MEDICINE. History of ophthalmology in Hawaii, 56(9):229
— Pediatric ophthalmology and strabismus management in Hawaii, 56(10):274
— Current status of the treatment of cataract, 56(10):276
HO, REGINALD. Congratulations to Dr Reginald Ho [Editorial], 56(6):136
HONOLULU HEART PROGRAM. The Honolulu Heart Program, an epidemiology study of coronary heart disease and stroke [Book review], 56(11):309
HOSPITALS, GENERAL. Efficacy of advance directives in a general hospital, 56(8):203
HUMAN RIGHTS. Pain relief as a basic human right, 56(8):199
IMMUNIZATION PROGRAMS. "KITS" for improved immunization of Kauai children, 56(5):121
INDEX. Index to the Hawaii Medical Journal, 56(12):359
INFORMATION SYSTEMS. Information technology in the health care industry, 56(6):144
INFORMED CONSENT. Application of informed consent principles in the emergency department evaluation of febrile children at risk for occult bacteremia, 56(11):313
INSTRUCTIONS TO AUTHORS. Hawaii Medical Journal instructions to authors, 56(2):41
— Hawaii Medical Journal instructions to authors, 56(6):157
INSURANCE CARRIERS. The words of Hippocrates!, 56(1):9
INTERNATIONAL EDUCATIONAL EXCHANGE. The role of international medicine in medical education [Medical school hotline], 56(1):6
INTERNSHIP AND RESIDENCY. Residency spotlight on ophthalmology [classical article], 56(10):272
JAPANESE. The Honolulu Heart Program, an epidemiology study of coronary heart disease and stroke [Book review], 56(11):309
— association of helocobacter pylori with intestinal type gastric adenocarcinoma in a Hawaii population, 56(12):348
JOHN A BURNS SCHOOL OF MEDICINE. The role of international medicine in medical education [Medical school hotline], 56(1):6
— role of the basic sciences in medical education [Medical school hotline], 56(2):32
— Modifications to the problem-based learning (PBL) curriculum increase opportunities for learning basic sciences [Medical school hotline], 56(3):54
— integration of clinical skills and clinical anatomy in medical education [Medical school hotline], 56(4):89
— birth of the RCMI Clinical Research Center is a joint venture of the University of Hawaii and Kapiolani Health, 56(4):93
— JABSOM dean retires. 1997 [classical article], 56(6):138
— Public health in medical education [Medical school hotline], 56(7):174
— From Hilo to Waianae a community-based clerkship [Medical school hotline], 56(8):201

LICENSURE, MEDICAL. An update on the USMLE and performance of medical students at the John A. Burns School of Medicine [Medical school hotline], 56(10):269
LONG-TERM CARE. Project caring for life—long term care funding alternative, 56(7):181
MACULAR DEGENERATION. Loss of reading and central vision due to macular diseases - therapeutic management, advances and limitations, 56(9):245
MALAYSIA. Seventh annual Asia Pacific military medicine conference: Kuala Lumpur, Malaysia [Military medicine], 56(6):143
MANAGED CARE PROGRAMS. The words of Hippocrates!, 56(1):9
MARINE TOXINS. All stings considered first aid and medical treatment of Hawaii's marine injuries [Book review], 56(11):309
MATERNAL-CHILD HEALTH SERVICES. Temporal trends in maternal characteristics and pregnancy outcomes: their relevance to the provision of health services. Hawaii, 1979-1994, 56(6):149
MCELRATH, ROBERT. The last days of a Hawaii labor leader. 1997 [classical article], 56(8):198
MEDICAL ASSISTANCE. Project caring for life—long term care funding alternative, 56(7):181
MEDICAL INFORMATICS APPLICATIONS. Information technology in the health care industry, 56(6):144
METHAMPHETAMINE. Methamphetamine abuse: an overview for health care professionals, 56(2):34
MILITARY MEDICINE. Seventh annual Asia Pacific military medicine conference: Kuala Lumpur, Malaysia [Military medicine], 56(6):143
MOTHERS. Temporal trends in maternal characteristics and pregnancy outcomes: their relevance to the provision of health services. Hawaii, 1979-1994, 56(6):149
MYIASIS. External ophthalmomyiasis, a disease established in Hawaii, 56(1):10
NATIVE HAWAIIANS. Non-insulin dependent diabetes mellitus: an epidemic among Hawaiians, 56(1):14
NEONATAL SCREENING. Newborn hearing screening in Hawaii, 56(12):352
NORDYKE, ROBERT A. Robert A. Nordyke MD, 56(7):168
OCCULT BACTEREMIA. Application of informed consent principles in the emergency department evaluation of febrile children at risk for occult bacteremia, 56(11):313
OPHTHALMOLOGY. History of ophthalmology in Hawaii, 56(9):229
— Advances in ophthalmic plastic, reconstructive and orbital surgery in Hawaii, 56(9):248
— Ophthalmology in Hawaii 1997 and beyond, 56(9):256
— How to become an ophthalmologist: preface to Residency spotlight on ophthalmology, 56(10):271
— Residency spotlight on ophthalmology [classical article], 56(10):272
— Pediatric ophthalmology and strabismus management in Hawaii, 56(10):274
OPTIC NEURITIS. Recent advances in the management of optic neuritis, 56(10):281
ORGAN PROCUREMENT. The role of the physician in the organ donation process, 56(4):96
OTITIS MEDIA. Application of informed consent principles in the emergency department evaluation of febrile children at risk for occult bacteremia, 56(11):313
PACIFIC. Seventh annual Asia Pacific military medicine conference: Kuala Lumpur, Malaysia [Military medicine], 56(6):143
PACIFIC BIOMEDICAL RESEARCH CENTER. The birth of the RCMI Clinical Research Center is a joint venture of the University of Hawaii and Kapiolani Health, 56(4):93
PACIFIC DISASTER MANAGEMENT INFORMATION NETWORK. Disaster medicine in Honolulu [Military medicine], 56(2):33
PAIN. Pain relief as a basic human right, 56(8):199
PARATHYROID DISEASES. Multi-center sestamibi par-

athyroid imaging study in Hawaii, 56(5):114
PARATHYROID GLANDS. Multi-center sestamibi parathyroid imaging study in Hawaii, 56(5):114
PARENTS. Application of informed consent principles in the emergency department evaluation of febrile children at risk for occult bacteremia, 56(11):313
PATIENT ADVOCACY. The death of an innocent, 56(3):59
PEDIATRICS. Pediatric ophthalmology and strabismus management in Hawaii, 56(10):274
— Role of the clinical faculty in pediatric medical education [Medical school hotline], 56(11):306
PEER REVIEW, RESEARCH. Peer review [Editorial], 56(12):341
PHYSICIAN'S PRACTICE PATTERNS. Emergency department versus office setting and physician/patient kinship effects in the diagnostic and therapeutic choices of febrile children at risk for occult bacteremia, 56(8):209
PHYSICIAN'S ROLE. The role of the physician in the organ donation process, 56(4):96
PHYSICIAN-PATIENT RELATIONS. An open letter to my son. 1996 [classical article], 56(2):30
— Patient-physician covenant, 56(5):129
— Commitment to my patients, 56(8):208
PHYSICIANS. Robert A. Nordyke MD, 56(7):168
PHYSICIANS, FAMILY. Common sports injuries seen by the primary care physician part I: upper extremity, 56(11):324
POETRY. I can do that, 56(8):202
— An island sort of Christmas, 56(12):342
— Christmas ballet, 56(12):342
— Thank you for Christmas joys, 56(12):343
POPULATION SURVEILLANCE. "KITS" for improved immunization of Kauai children, 56(5):121
PREGNANCY. Temporal trends in maternal characteristics and pregnancy outcomes: their relevance to the provision of health services. Hawaii, 1979-1994, 56(6):149
PREGNANCY OUTCOME. Temporal trends in maternal characteristics and pregnancy outcomes: their relevance to the provision of health services. Hawaii, 1979-1994, 56(6):149
PREVALENCE. Non-insulin dependent diabetes mellitus: an epidemic among Hawaiians, 56(1):14
PROBLEM-BASED LEARNING. Modifications to the problem-based learning (PBL) curriculum increase opportunities for learning basic sciences [Medical school hotline], 56(3):54
— From Hilo to Waianae a community-based clerkship [Medical school hotline], 56(8):201
PUBLIC HEALTH. Public health in medical education [Medical school hotline], 56(7):174
PUBLIC OPINION. Rxemedy survey of 30,000 Americans age 55 and over indicates strong support for the right to die, 56(3):74
RADIOLOGY. Tragedy in Guam: one doctor's chronicle [Military medicine], 56(11):307
RELIEF WORK. Disaster medicine in Honolulu [Military medicine], 56(2):33
RELIGION AND MEDICINE. The death of an innocent, 56(3):59
RESEARCH. The birth of the RCMI Clinical Research Center is a joint venture of the University of Hawaii and Kapiolani Health, 56(4):93
RETINAL DETACHMENT. Flashes, floaters, retinal tears and retinal detachment, 56(9):238
RETINAL PERFORATIONS. Flashes, floaters, retinal tears and retinal detachment, 56(9):238
RETINAL VEIN OCCULSIONS. Retinal venous occlusive disease, 56(10):289
RETINOPATHY OF PREMATURITY. Retinopathy of prematurity, 56(9):240
RIGHT TO DIE. Panel will study the right to doctor-assisted aid-in-dying [Editorial], 56(1):5
— D.A.D.D. - doctor assisted death with dignity [Editorial], 56(3):52
— Assisted suicide in Switzerland: when is it permitted?, 56(3):63
— Voluntary euthanasia in the Northern Territory-Australia, 56(3):69
— Rxemedy survey of 30,000 Americans age 55 and over indicates strong support for the right to die, 56(3):74
RISK FACTORS. Glaucoma, 56(9):235
SALMON. Diphyllobothriasis after eating raw salmon, 56(7):176
SENSITIVITY AND SPECIFICITY. Multi-center sestamibi parathyroid imaging study in Hawaii, 56(5):114
SPORTS MEDICINE. Common sports injuries seen by the primary care physician part I: upper extremity, 56(11):324
STOMACH NEOPLASMS. The association of helocobacter pylori with intestinal type gastric adenocarcinoma in a Hawaii population, 56(12):348
STRABISMUS. Pediatric ophthalmology and strabismus management in Hawaii, 56(10):274
STUDENTS, MEDICAL. Student profile - class of 2001 at the John A. Burns School of Medicine [Medical school hotline], 56(9):224
— update on the USMLE and performance of medical students at the John A. Burns School of Medicine [Medical school hotline], 56(10):269
— Humor, humility, and a little bit of hubris: why they may be relevant to an incoming class of 60 medical school freshmen, 56(12):345
